English telephone & Internet services

TKS is a full-service telecommunication provider that specializes in serving the English-speaking community in Germany. Your consultation, monthly invoices, and customer care is always in English with TKS. Reduce the stress and guesswork involved with “German only” service providers and get TKS on your side. With over 15 years of experience, you can count on TKS to deliver the highest level of personalized service, along with a full range of easy-to-use English telecommunication products.

Internet and telephone flat rates

TKS offers numerous flat-rate Internet and telephone service packages that are customizable to meet your exact needs.

Get an all-inclusive flat rate Internet connection along with free calls back home – USA, Great Britain, Australia, Ireland – call all you want with an international flat rate from TKS.

English customer care and billing

English-speaking service representatives are standing by should you have questions about your service, need dialing rates, or want to track a payment. TKS is dedicated to serving the English-speaking community, therefore bills, customer service, and product information is always in English.

English tech support

Need help getting your Internet connection setup and configured? English technical support is only a phone call away. Count on TKS's technical service center to provide the personalized assistance and technical solutions that you need – free of charge.

Quality service

- English consultation
- Personalized service
- No minimum contract duration
- Easy plug-and-play setup
- Expert technical support
- Bills in English

TKS ☺ Your partner in Germany.

With over 15 years of experience serving the English-speaking community in Germany, you can count on TKS to offer quality products along with topnotch customer service, at the price that you can afford.

Germany wide, only a phone call away!

☺ Call us or send us an e-mail today. A service representative will be happy to recommend a custom-tailored TKS solution for your individual needs.
