**TKS easyConnect Remarks**

<b>Fair Use Conditions:</b>	The fair use policy permits a maximum total talk time of 20,000 min per month. The 20,000 min per month is a total talk time of calls to landlines and mobile connections (Basic or Global Flat) and also includes the outgoing calls with the usage of the easyConnect App over a mobile device. Price for exceeding included fair use budget will be charged at standard rate & the Global tariff may be changed to the Basic tariff (for further information refer to easyConnect price list & specifications). After 4 hours of continuous use the connection will automatically be disconnected.		
<b>Charge fee services, budgets, &amp; Flat rates:</b>	Charge free services, included budgets, and flat rates do not include premium rate services, personal numbers, value-added service, service numbers, shared cost numbers, premium billing numbers, maritime services, and satellite connections.		
<b>Maximum download speed:</b>	This represents the highest possible technically realizable bandwidth and cannot be guaranteed. The actual available speed may be lower, depending on the physical conditions of the access line. A lower speed does not affect the basic monthly fee. Note: The 200 Mbps is only available for on-base connections when combined with a easyTV connection. The above price does not included fee for easyTV, refer to easyTV price sheet.		
<b>Off-base service - Downgrades</b>	Change to a lower bandwidth is not possible in the form of a downgrade. Change to a lower bandwidth can only be processed with cancelling the present service (normal cancellation process applies) and reapplying for service (activation fee and interruption in service applies).		
<b>easyConnect App</b>	<p>The easyConnect landline number can be used for incoming and outgoing calls over a mobile device using the easyConnect App.</p> <p>The service can be used via App on one mobile device with the login data provided by TKS.</p> <p>The App may be installed on different mobile devices but only the one that entered the access data latest will be able to make and receive calls for that account.</p> <p>The calling flat rates included in the easyConnect contract can also be used with the App over a mobile device; this includes all Basic Flat or Global Flat connections depending on the chosen tariff.</p> <p>easyConnect App roaming usage is permitted.</p> <p>The easyConnect App can be used over Wi-Fi or mobile data.</p> <p>Emergency calls will be placed via the existing GSM connection. If the customer doesn't have any signal the call will not be possible. Emergency calls via Wi-Fi calling are not possible.</p>		
<b>Billing:</b>	The monthly charges start on the activation date and are prorated based on the remaining monthly time frame. If the price is to be calculated for parts of a calendar month, the exact number of days for which the service is used will be calculated.		
<b>TDYRelaxed</b>	The TDYRelaxed option provides the possibility to temporarily block the connection for a minimum of 1 month & a maximum time frame of 3 months, however a maximum of 90 days within a calendar year. To prevent abuse through third party usage the connection will be blocked for outgoing calls during this time frame. It is further possible to make emergency calls & calls to the TKS customer service center.		
<b>U.S. Forces VAT forms:</b>	U.S. Forces VAT form can be accepted for all TKS easyConnect plans. The VAT form must be provided to TKS before the end of the month for the following month.		
<b>Cancellation:</b>	easyConnect	DSL Connection	Cancellations are only valid to the end of the following month.
		Cable Connection	The service contract may be terminated daily.

**TKS easyTV remarks**

<b>Service Packages &amp; Module:</b>	A mixture of defined service packages with additional modules is not possible. Content of the offered service packages can not be changed by adding additional modules.
<b>Reception:</b>	For the reception of easyTV IP & TKS easyTV Mobile is a constant Internet connection required, that provides next to other technical requirements also an adequate bandwidth. If the bandwidth is too small or if it has to be shared with other applications the easyTV IP streaming might be interrupted. <b>Note:</b> According to which internet connection is being used additional costs for streaming may occur. It is the responsibility of the customer to inform themselves about the internet connection costs with the individual provider. The customer is held fully liable for any connection costs that occur.
<b>TKS easyTV Mobile:</b>	TKS is not liable for costs incurred by the use of the easyTV app via an internet connection or for a limitation in the bandwidth of the mobile data connection, resulting from the use of the easyTV App.
<b>NFL RedZone Season Ticket:</b>	NFL RedZone Season Ticket - Onetime fee for complete NFL season (September 2018 – February 2019). Price does not change, no matter when Ticket gets booked.
<b>Family Option:</b>	The Family Option in combination with easyTV IP (only available for off-base services) permits the usage of Amazon Fire TV devices (devices are not subject of the contract.)
<b>Cancellation:</b>	Termination may be requested at any time, effective to the end of the month.
