2) easyConnect Mobile Global Option

<p>TKS easyConnect Mobile Option</p>	<p>General Info:</p>	<p>The easyConnect Mobile Global option can be added for €12.95 per month to the easyMobile 4G voice contract. With this option TKS will issue a landline number, which can be used for incoming and outgoing calls over a mobile device by using the myTKS App, provided that the customer has an activated TKS easyMobile 4G voice contract.</p> <p>The myTKS App is offered for Android (Version 5.1 or higher) and Apple iPhone (Version 10.3 or higher) devices and can be downloaded free of charge in the respective App stores</p> <p>With the easyConnect Mobile Global option all easyConnect Global countries (landlines and certain mobile connections), can be called free of charge according to the fair use policy. If the contract is cancelled or terminated the use of the myTKS App will be discontinued.</p> <p>The myTKS App can be used over Wi-Fi or mobile data. TKS is not liable for data volume used over the mobile device by using the myTKS App without a Wi-Fi connection or for all mobile connections made without using the myTKS App.</p> <p>This also applies for roaming.</p>
	<p>Fair Use Conditions:</p>	<p>The fair use policy permits a maximum total talk time (incoming & outgoing calls) of 20,000 min per month over the myTKS App. After 4 hours of continuous use the connection will automatically be disconnected. Price for exceeding included fair use budget will be charged at standard Global rates (refer to easyConnect price list).</p> <p>The myTKS App will be terminated by exceeding the fair use budget over two consequent months.</p>
	<p>Login / Pairing:</p>	<p>The service can be used via myTKS App on one mobile device per contract with the login data provided over the registration of a myTKS account. The registration for myTKS is conducted over the TKS web portal: tkscable.com.</p> <p>The username and password from the myTKS account is the login data for the myTKS App.</p> <p>The user will be prompted to select one of their App relevant contracts for pairing after login. An automatic pairing verification will take place after the contract selection has been made. The use of more than one mobile device per contract is not possible. Pairing of a new / different device to a contract is possible.</p> <p>Customer is responsible to keep their login data secret, also not to provide it to a third party. If the customer allows the usage of third party the customer is liable for all costs that result in usage of a third party.</p> <p>The customer commits themselves to take over all charges which have occurred by authorized or unauthorized utilization of the service by third parties, unless the utilization is verifiable that it was beyond customer's responsibility.</p>
	<p>Roaming:</p>	<p>Roaming usage is permitted for the easyConnect Mobile Global option used over the myTKS App.</p> <p>Data volume deductions may apply when the myTKS App is not used over Wi-Fi. Roaming charge for data usage may be charged if no option is booked. If a data option is booked for roaming the included option data will also be used for the myTKS App when not connected over Wi-Fi.</p>
	<p>Emergency Calls:</p>	<p>Emergency calls can only be placed via an existing GSM connection. If the customer doesn't have any signal the call will not be possible. Emergency calls via Wi-Fi calling are not possible.</p>
	<p>Move:</p>	<p>The original landline phone number is a geographically telephone number and therefore by a move in most cases a new landline phone number must be issued. The customer must give proper advance notice.</p>
	<p>Cancellation:</p>	<p>Cancellations are only valid to the end of the following month.</p>
