easyMobile Giga / Giga plus - Included Services

 high-speed 5G internet up to 1 Gbps	 Wi-Fi calling – within Germany only
 rollover unused monthly data	 free Vodafone hotspots
 unlimited talk time and texts to all German networks	English billing, service, tech support & VAT-free services

¹ **Roaming:** Included budgets and rollover data can be used within the listed EU countries. This applies to outgoing and incoming roaming calls within the EU and to Germany, texts, and data usage according to the fair use policy: 500 min. calls / 500 texts per day, regulated EU roaming rates apply to all usage beyond this limit. Included roaming connections do not apply to international waters (ferries, boat trips, etc.) or to service numbers. EU roaming is only valid in TKS easyMobile / Vodafone partner networks.

Giga Unlimited & Giga Unlimited plus: Unlimited data is only valid within Germany. The amount of included EU data is listed in the myTKS app and is displayed per billing cycle calculated from use in the EU, plus usage of the easyTravel option. Exceeding that included data volume budget will be charged at 0.15 Cents per MB for EU countries and for easyTravel countries at 0.45 Cents per MB. For all countries outside of the EU refer to the TKS easyMobile roaming options rate sheet.

EU Countries: Austria, Azores, Belgium, Bulgaria, Canary Islands, Ceuta, Croatia, Cyprus (excluding Northern Cyprus), Czech Republic, Denmark, Estonia, Finland, France (excluding Monaco), French Guiana, Gibraltar, Great Britain, Greece, Guadeloupe, Hungary, Iceland, Ireland, Italy, La Reunion, Latvia, Liechtenstein, Lithuania, Luxembourg, Madeira, Malta, Martinique, Mayotte, Melilla, Netherlands, Norway, Poland, Portugal, Romania, Saint-Barthelemy, Saint-Martin, Slovenia, Slovakia, Spain, and Sweden.

Note: Included budgets are valid for roaming connections made to Germany and within the listed EU countries, EU country list is subject to change.

All prices are in Euro and without VAT, refer to the general terms and conditions for applicable VAT regulations. Rates and services are subject to change.

² easyMobile Giga / Giga plus - Remarks

Contract conclusion	<p>Contract must be made in the name of military sponsor. A maximum of four contracts can only be issued to one customer.</p> <p>Giga plus: Is only available for new signups. Giga plus contracts can only be added to a standard Giga plan and this combination forms a group. A group consists of one standard Giga plan and up to 3 Giga plus plans. The plans in a group can be owned from one person or from different persons. The standard Giga plan is the "Admin" (owner of the group) and the Giga plus plans are "Members" of a group. It is possible to be the "Admin" (owner) of more than one group. Each Giga plus plan uses its own data volume, there is no data sharing available. All members of the Giga group surf at the maximum available speed of the individual plan.</p>
Devices	Only one installment purchase plan per easyMobile contract is possible. The installment plan has a 24-month duration. Down payment and first installment payment must be paid at the time of sign up.
Talk time	TKS reserves the right to terminate service when a max. of 250 hours calling time has been exceeded per billing period.
Calls to foreign countries	Calls from Germany to foreign countries are not included, refer to "TKS easyMobile – International Rates".
Texts	VF Message Center Number: +491722270333. Texts sent over a non-VF message center will be charged. The text flat rate does not apply for sending to an email address, to foreign countries, service numbers, special numbers & over internet providers.
Data volume / transmission speed	Included data flat rates are only valid within Germany & the EU over the APN: web.vodafone.de. After 24 hours of continuous use TKS reserves the right to automatically disconnect. Permitted services are: VOIP, tethering, & peer-to-peer, and Wi-Fi hotspot & router usage only for one's own private use. The max. transfer rate of up to 1 Gbps download / 100 Mbps upload cannot be guaranteed, actual speeds & 5G coverage can vary, depending on the structural characteristics of buildings in the vicinity & the number of mobile devices that are connected to a mobile radio cell at the same time. 5G network require a compatible device. A speed limitation of 32 kbps applies after exceeding the included data volume (SpeedFlex options available).
Rollover monthly data	Unused monthly data volume is carried over until the end of the next billing cycle. The current month's data volume will always be used before the rollover data. The rollover monthly data may also be used within EU countries. Note: The Giga Unlimited and Unlimited plus EU roaming volume does not rollover.
Free services, monthly budgets, and flat rates	Free services, included budgets, and flat rates do not include conference calls, premium rate services, call forwarding, text services, service numbers, and premium billing numbers. Unused monthly budgets will expire at the end of the billing cycle, except for data volume carried over as part of the rollover monthly data feature.
Vodafone hotspots	TKS provides a hotspot access voucher starting with the first invoice and thereafter with each monthly invoice.
Wi-Fi calling	Wi-Fi calling is used to achieve better conversation quality in poor or no reception areas. A German Wi-Fi network connection and a Wi-Fi enabled smartphone is required. Calls made over Wi-Fi calling are billed according to the original service plan. Roaming is not available. Note: International and non-included connections will be charged when using Wi-Fi calling, refer to the separate rate sheet "TKS easyMobile – International Rates".
Billing	Standard monthly fees are charged in advance. With the contract conclusion the budgets and flat rates will be prorated according to remaining billing cycle. Data usage will always be rounded up to the next 100 KB per connection. The first invoice consists of an activation fee and a prorated fee for the first month. The billing cycle is from the 6 th of the month to the 5 th of the following month and will be reset at the end of the billing cycle, not the end of the calendar month.
Quad-Play Discount	This special applies only for new signups as of 1 November 2023 . All contracts (easyMobile standard Giga Unlimited or Giga 50, easyConnect Bundle or BOSS Entertainment) must have an activation date of the 1 Nov. 2023 or later!! There will still be separate invoice for each contract number & the Quad-Play discount will show on the easyConnect Bundle or BOSS Entertainment invoice. The discount will be automatically booked so long there is a standard Giga 50 activated.
Cancellation	<p>Cancellations are valid to the end of the following month of all plans.</p> <p>The Giga plus plans run independently from the standard Giga plan and therefore each individual contract must be requested to be cancelled. If the standard Giga plan ("Admin") is cancelled, the oldest Giga plus plan automatically will be switched to a standard Giga plan and is then the new "Admin" (Owner) of the group. The oldest Giga plus plan will be switched as follows: Giga 5 plus or Giga 20 plus will be changed to a standard Giga 12 plan (standard price applies). Giga Unlimited plus will be changed to a standard Giga 25 plan (standard price applies).</p>

All prices are in Euro and without VAT, refer to the general terms and conditions for applicable VAT regulations. Rates and services are subject to change.

³ easyConnect Mobile Global Option – Free USA calls

General information	<p>The easyConnect Mobile Global option can be added for € 12.95 per month to the easyMobile 5G voice contract. With this option TKS will issue a landline number which can be used for incoming and outgoing calls over a mobile device by using the myTKS app, in combination with easyMobile 5G voice service.</p> <p>The myTKS app is available for Android (version 5.1 or higher) and Apple iOS (version 10.3 or higher), and can be downloaded free of charge from their respective app stores.</p> <p>With the easyConnect Mobile Global option all easyConnect Global countries (landlines and certain mobile connections), can be called free of charge according to the fair use policy. If the contract is cancelled or terminated the use of the myTKS app will be discontinued.</p> <p>The myTKS app can be used over WiFi or mobile data. TKS is not liable for data volume used over the mobile device by using the myTKS app without a Wi-Fi connection or for all mobile connections made without using the myTKS app. This also applies to roaming.</p>
Fair use policy	<p>The fair use policy permits a maximum total talk time, including incoming and outgoing calls, of 20,000 minutes per month over the myTKS app. After 4 hours of continuous use the connection will be automatically disconnected. Standard global dialing rates will apply when the fair use policy has been exceeded, refer to the easyConnect price list. The service will be terminated when the fair use policy has been exceeded over two consequent months.</p>
Login / pairing	<p>The service can be used via myTKS app on one mobile device per contract with the login data provided over the registration of a myTKS account. The registration is conducted over the TKS website. The username and password from the myTKS web account is the login data for the myTKS app.</p> <p>The user will be prompted to select one of their app relevant contracts for pairing after login. An automatic pairing verification will take place after the contract selection has been made. The use of more than one mobile device per contract is not possible. Pairing of a new or different device to a contract is possible. Customer is responsible to keep their login data confidential and not to provide it to a third party. If the customer allows the usage of third party the customer is liable for all resulting costs. The customer is liable for all charges which have occurred by authorized or unauthorized utilization of the service by third parties, unless it can be verified that the usage was beyond the customer's responsibility.</p>
Roaming	<p>Roaming is permitted with the easyConnect Mobile Global option when used over the myTKS app.</p> <p>Data volume deductions may apply when the myTKS app is not used over Wi-Fi. Roaming charges for data usage may apply if no option is booked. If a data option is booked for roaming the included data option will also be used for the myTKS app when not connected over Wi-Fi.</p>
Emergency calls	<p>Emergency calls can only be placed via an existing GSM connection. If the customer doesn't have any signal the call will not be possible. Emergency calls over Wi-Fi are not possible.</p>
Moves	<p>The original landline phone number is a geographical telephone number and therefore a new number must be issued in the event of a move. The customer must provide advance notice.</p>
Cancellation	<p>Cancellations are valid to the end of the following month.</p>
