Remarks: For the reception of easyTV IP & TKS easyTV Mobile is a constant Internet connection required, that provides next to other technical requirements also an adequate bandwidth. If the bandwidth is too small or if it has to be shared with other applications, the easyTV IP streaming might be interrupted. **Note:** According to which internet connection is being used additional costs for streaming may occur. It is the responsibility of the customer to inform themselves about the internet connection costs with the individual provider. The customer is held fully liable for any connection costs that occur.
TKS easyTV Mobile - TKS is not liable for costs incurred by the use of the easyTV app via an internet connection or for a limitation in the bandwidth of the mobile data connection, resulting from the use of the easyTV App.
