TKS easyConnect MAX Bundle Remarks		
<b>Fair Use Conditions:</b>	The fair use policy permits a maximum total talk time of 20,000 min per month. The 20,000 min per month is a total talk time of calls to landlines and mobile connections (Global Flat) and also includes the outgoing calls with the usage of the myTKS App over a mobile device. Price for exceeding included fair use budget will be charged at standard rate (for further information refer to easyConnect MAX Bundle price list & specifications). After 4 hours of continuous use the connection will automatically be disconnected.	
<b>Charge Fee Services, Budgets, &amp; Flat Rates:</b>	Charge free services, included budgets, and flat rates do not include premium rate services, personal numbers, value-added service, service numbers, shared cost numbers, premium billing numbers, maritime services, and satellite connections.	
<b>Maximum Download Speed:</b>	This represents the highest possible technically realizable bandwidth and cannot be guaranteed. The actual available speed may be lower, depending on the physical conditions of the access line. A lower speed does not affect the basic monthly fee.	
<b>myTKS App</b>	<b>General Info</b>	The easyConnect MAX Bundle landline number can be used for incoming and outgoing calls over a mobile device by using the myTKS App provided that the customer has an activated TKS easyConnect MAX Bundle contract. If the contract is cancelled or terminated the use of the myTKS App will be discontinued. The myTKS App is offered for Android (Version 5.1 or higher) and Apple iPhones (Version 10.3 or higher) devices and can be downloaded free of charge in the respective App stores.
	<b>App Usage</b>	The myTKS App can be used over Wi-Fi or mobile data. TKS is not liable for data volume used over the mobile device by using the myTKS App without a Wi-Fi connection or for all mobile connections made without using the myTKS App. This also applies for roaming.
	<b>Login / Pairing</b>	The service can be used via App on one mobile device per contract with the login data provided over the registration of a myTKS account. The registration for myTKS is conducted over the TKS web portal: tkscable.com. The username and password from the myTKS account is the login data for the myTKS App. The user will be prompted to select one of their App relevant contracts for pairing after login. An automatic pairing verification will take place after the contract selection has been made. <b>The use of more than one mobile device per contract is not possible.</b> Pairing of a new / different device to a contract is possible.
	<b>Roaming</b>	The myTKS App roaming usage is permitted. Data volume deductions may apply when the myTKS App is not used over Wi-Fi. Roaming charge for data usage may be charged if no option is booked. If a data option is booked for roaming the included option data will also be used for the myTKS App when not connected over Wi-Fi.
	<b>Emergency Calls:</b>	Emergency calls can only be placed via an existing GSM connection. If the customer doesn't have any signal the call will not be possible. Emergency calls via Wi-Fi calling are not possible.
<b>Billing:</b>	The monthly charges start on the activation date & are prorated based on the remaining monthly time frame. If the price is to be calculated for parts of a calendar month, the exact number of days for which the service is used will be calculated.	
<b>Cancellation:</b>	Cable Connection	Cancellations are only valid to the end of the month.
	<b>Note:</b> The easyConnect MAX Bundle contract can only be terminated completely; there is no possibility to cancel individual components (e.g.: easyTV) separately!	

TKS easyTV Remarks	
<b>Service Packages &amp; Module:</b>	A mixture of defined service packages with additional modules is not possible. Content of the offered service packages cannot be changed by adding additional modules.
<b>Reception:</b>	For the reception of easyTV IP & TKS easyTV Mobile a constant Internet connection is required, that provides next to other technical requirements also an adequate bandwidth. If the bandwidth is too small or if it has to be shared with other applications, the easyTV IP streaming might be interrupted. <b>Note:</b> According to which internet connection is being used additional costs for streaming may occur. It is the responsibility of the customer to inform themselves about the internet connection costs with the individual provider. The customer is held fully liable for any connection costs that occur.
<b>TKS easyTV Mobile:</b>	TKS is not liable for costs incurred by the use of the easyTV App via an internet connection or for a limitation of the bandwidth from a mobile data connection, resulting from the use of the easyTV App.
