¹⁾ easyMobile 4G Data International Remarks

Data Volume / Transmission speed::

The flat rate is only valid over the APN: Vodafone network = web.vodafone.de. Price for Data Usage is valid in Germany inland and EU. TKS reserves the right to automatically disconnect the connection after 24 hours of continuous use. VOIP, tethering and Peer-to-peer are permitted.

The transmission speed of up to 500 mbps download / 100 mbps upload is the upper limit & can not be guaranteed. The actual utilization speed depends on the location & in which mobile radio cell the device is connected to. Also a compatible mobile device is required for the higher speed.

Billing:

The monthly package price will be charged in advance. On the first invoice you will be charged the activation fee and a prorated price for the first month depending on when the service was started plus the monthly package price for one month in advance.

The included budgets and flat rates are always valid for one billing cycle and will be reset at the end of the billing cycle (not the end of the calendar month). The billing cycle is from the 6th of the month to the 5th of the following month.

Important: With the contract conclusion the budgets and flat rates will be prorated according to remaining billing cycle time frame.

An U.S. Forces VAT form can be accepted for all TKS easyMobile without hardware tariff plans.

The U.S. Forces VAT form must be provided to TKS before the end of the month for the following month.

Roaming:

The TKS 4G Data Int XXL tariff included volume can be used charge free within Germany and the EU countries.

Included roaming connections do not apply to international waters (e.g. ferry, boat trips, etc.) or service numbers.

The EU Roaming is only valid in TKS easyMobile / Vodafone (partner) networks.
