### <sup>1)</sup> TKS easyMobile Tariff Remarks

<b>Contract Conclusions:</b>	Only in the military sponsor's name. A maximum of three contracts can only be issued to one customer.
<b>Hardware:</b>	Only one hardware installment purchase contract can be concluded in conjunction with one easyMobile contract. All hardware installment plans have 24 months duration. A down payment as well as the first hardware installment has to be paid with contract sign up.
<b>Talk Time:</b>	Included talk time is limited to a max of 250 hours per billing period. TKS reserves the right to terminate service if the 250 hours are exceeded.
<b>Calls from Germany to Foreign Countries:</b>	<u>Calls from Germany to foreign countries are not included in the tariff plans</u> , for prices refer to the separate rate sheet "TKS easyMobile – International Rates" that can be obtained from TKS.
<b>Text / MMS:</b>	Text central number: Vodafone network = +491722270333. If a Text is sent over a different Text center it will be charged. Included Text and MMS flat rates do not apply to service numbers, special numbers and over internet providers.
<b>Data Volume / Transmission speed:</b>	The flat rate is only valid over the APN: Vodafone network = web.vodafone.de. Price for Data Usage is valid in Germany inland and EU. TKS reserves the right to automatically disconnect the connection after 24 hours of continuous use. VOIP, tethering and Peer-to-peer are permitted. The transmission speed of up to 500 mbps download / 100 mbps upload is the upper limit & can not be guaranteed. The actual utilization speed depends on the location & in which mobile radio cell the device is connected to. Also a compatible mobile device is required for the higher speed.
<b>Rollover Monthly Data:</b>	Keeps the unused data volume until the end of the following billing cycle. The current data volume will always be used before the rollover data goes into effect. The Rollover Monthly Data may also be used within EU countries.
<b>Charge fee services, budgets, &amp; Flat rates:</b>	Charge free services, included budgets, & flat rates do not include conference calls, premium rate services, call forwarding, video phoning, Text-services, service numbers, and premium billing numbers. Unused included budgets will expire at the end of the billing cycle (except Data with the Rollover Monthly Data feature).
<b>Vodafone Hotspots:</b>	TKS provides monthly a Hotspot access code voucher. This service starts with the first invoice and thereafter on every monthly invoice.
<b>WiFi Calling:</b>	WiFi Calling provides the capability to make calls via WiFi & achieve better conversation quality in areas where cellular network have poor or no reception. A Smartphone that supports WiFi Calling and a WiFi connection are required. Calls made over WiFi calling are charged according to the original tariff. WiFi Calling is only available within the German WiFi network and is not available for Roaming. <b>Note:</b> International and other connections that are not included in your plan will be charged when using WiFi Calling, for prices refer to the separate rate sheet "TKS easyMobile – International Rates" that can be obtained from TKS.
<b>Blackberry®:</b>	Internet services used over a BlackBerry APN is not included in the data flat and will be charged at 0.59 per MB.
<b>Roaming:</b>	TKS 4G tariff included volumes (also Data Rollover) can be used Germany inland and within the EU countries. This applies for outgoing and incoming roaming calls within the EU countries and to Germany, for Text and data usage according to the fair use policy. Included roaming connections do not apply to international waters (e.g. ferry, boat trips, etc.) or service numbers. The fair use policy permits within the EU & to Germany up to 500 minutes and 500 Texts per day. Exceeding this limitation will be charged the regulated EU roaming rate. The EU Roaming is only valid in TKS easyMobile / Vodafone (partner) network. For all countries outside of the EU refer to TKS easyMobile Roaming options rate sheet.
<b>EU Countries:</b>	Austria, Azores, Belgium, Bulgaria, Canaries, Ceuta, Croatia, Cyprus (excluding Northern Cyprus), Czech Republic, Denmark, Estonia, Finland, France (excluding Monaco), French Guiana, Gibraltar, Great Britain, Greece, Guadeloupe, Hungary, Iceland, Ireland, Italy, La Reunion, Latvia, Liechtenstein, Lithuania, Luxembourg, Madeira, Malta, Martinique, Mayotte, Melilla, Netherlands, Norway, Poland, Portugal, Romania, Saint-Martin, Slovenia, Slovakia, Spain, and Sweden. <b>Note:</b> Included budgets are valid for <b>roaming connections</b> made to Germany and within the listed EU countries.
<b>Billing:</b>	Monthly package price will be charged in advance. The first invoice will contain the activation fee & a prorated price for the first month depending on when the service was started plus the monthly package price for one month in advance. Included budgets and flat rates are always valid for one billing cycle and will be reset at the end of the billing cycle (not the end of the calendar month). The billing cycle is from the 6 <sup>th</sup> of the month to the 5 <sup>th</sup> of the following month. Important: With the contract conclusion the budgets and flat rates will be prorated according to remaining billing cycle time frame. Data usage will always be rounded up to 100 KB per connection.
<b>U.S. Forces VAT forms:</b>	A U.S. Forces VAT form can be accepted for all TKS easyMobile without hardware tariff plans. The VAT form must be provided to TKS before the end of the month for the following month.
<b>Cancellation:</b>	Cancellations are only valid to the end of the following month.

Remarks: All tariffs are only valid within Vodafone network. Roaming fees apply when used outside Germany and EU. Before making or using international connections refer to the separate rate sheets that can be obtained from TKS.
