2.1 Prices without VAT

In location Germany: TKS offers all services without using a VAT form with VAT exemption to US Department of Defense (DOD) ID cardholder who qualifies for a foreign tax exemption under NATO Status of Forces Agreement (SOFA). Customers with this status are only US military, US civilian employees, and dependents living in Germany on orders. Third party services are not VAT exempt. Their VAT charges will be fully passed on to the customer.

2.2 Prices including VAT

The stated prices including VAT are rounded up to full cent amounts. Determining for the billing of utilized services are the stated prices without VAT. These are collected by TKS for billing purposes and form the basis for calculating the VAT amount. It is therefore possible that the amount to be paid by customer is lower than the sum of prices including VAT. The prices including VAT are calculated by taking prices without VAT and adding the legally binding value-added tax. In the event that the VAT rate is changed, prices including VAT are adapted accordingly.
